Yes.
Right. The fee is...

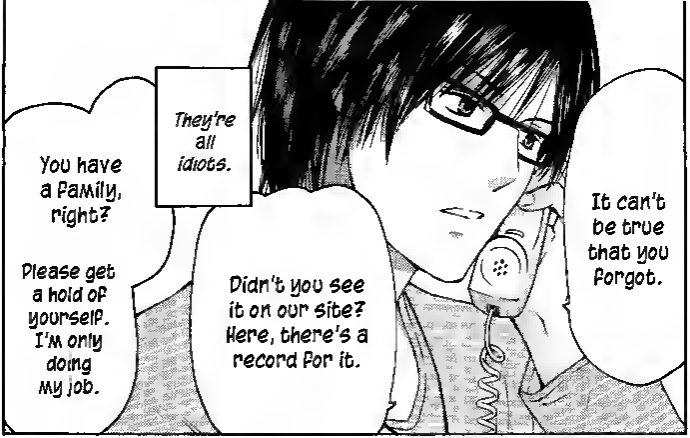
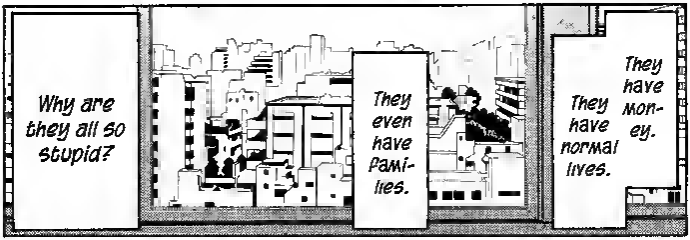
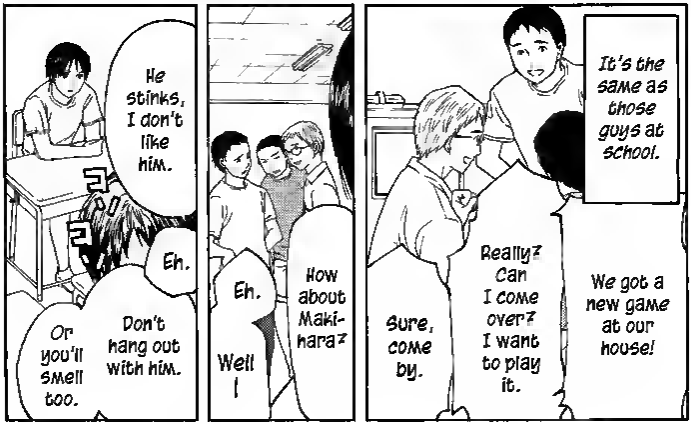
Even if you say you can't pay.
But what about the charges for the part you used?
If you want us to come see you, we can.
We can even come to your house.



It can't be true that you forgot.
They're all idiots.
You have a family, right?
Please get a hold of yourself. I'm only doing my job.
Didn't you see it on our site? Here, there's a record for it.



Why are they all so stupid?
They even have families.
They have normal lives.
They have money.



He stinks, I don't like him.
Eh.
Don't hang out with him.
Or you'll smell too.
Eh.
Well I
How about Makihara?
It's the same as those guys at school.
We got a new game at our house!
Really? Can I come over? I want to play it.
Sure, come by.

Hey.
You're Ei, right?
...Yeah.
Do you still go to the park every night?
Yeah.
Not every day though.
Only when there's a man with my mom.
We can all hang out at my senpai's house.
Let's go there next time.
That's where I live.
Just throw a pebble at the window and I'll come out.
We'll hang out.
Got it.

Are you hung over again?
Shut up.
I have to go to work now.
Find something to eat.

I'm really grateful to you for getting me this job.
But, I'm not enjoying it anymore.
Besides, I finally turned 20.
Now I can rent a place on my own.
If I have my own place, I can get a normal job too, right?
Well, your results have been great ...
Won't Shibuya-san try to stop you...?
Isn't he scary?
HMM
I'll have to disappear, just like that time I left home.

You've always been smart.
And good at studying too.
If you get a real job, I'm sure you'll succeed there too.
I'll approve your quitting.
I'll explain everything to Shibuya-san.
And take responsibility for it.
After all he's done for us.

I killed someone I had no business with!!
Even that kid!!
I killed them!!
How can you say I'm fine!!
And if we didn't kill him, he would've killed us.

.....

Let's ask for it.
We need someone to be a lookout for next time.
It's useless to be mad at me.
In any case, you'll get used to this.
If you plan to earn money by killing,
Don't think about anything.
That's a good reaction.
HUH?
If you enjoy killing,
Or if you are a guy who can kill for money like it's nothing,

What happened?
Sensei?

Kuzumi.
This way.
A 119 report was made from this phone, in a male voice.
The deaths were confirmed upon our arrival.
There are two victims.
One is in the bathroom, and the other one is here.

!
Is that you, Kuzumi?
.....
Heeey.
Long time no see.
Inspector Hosaka

It's been a while.
Why is the organized crime unit here?
Wow there, don't step on it.
It's our precious evidence.
Eh?
Which one...?
This bloodstain.

This is the only place not splattered with blood.
There was something here at the time of the murder which was carried away afterwards.
Based on the size and number of these traces, it was probably money.

.....
Hosaka-san.
There's no doubt that this phone was used to call 119.
!

There's a bloody handprint of the caller here.
Looks like we can collect finger-prints too.
Ah.
She's our new member, Itou.
This is Kuzumi,
My kouhai from when I was at Shinjuku station.
I'm Ogawara.
I'm Itou.
Pleased to meet you.

The two victims seem to have been con artists.
It looks like this place was the base of operations for a con group.

Let's do a joint investigation.
We've got permission from the first section chief.
Yeah, but...
Organized crime is our territory
Isn't it?

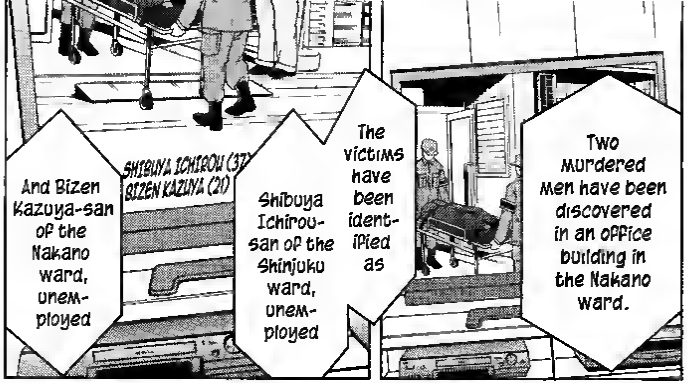
Yes...
Now, Itou-chan
What do you think after examining the scene?

F
There is also a large amount of blood as well as small splattered bloodstains in this location...
There is a large number of bloodstains that have fallen vertically here.
One victim was stabbed while standing here.
We can conclude that the other victim was stabbed in multiple places while lying down horizontally.
Based on the blood trails, the two of them were dragged to the bathroom afterwards.
Then they were likely thrown in the bathtub.
We can confirm this if we examine the blood samples from the bathtub.
Afterwards, one of them was dragged from the bathtub back to here.
It was probably the caller who dragged that victim's body from the bathtub.
Likely, it was this victim's acquaintance.

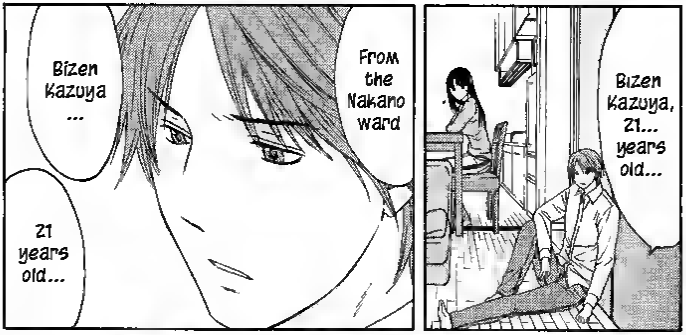
If we sift through the friends of this victim
We should be able to find the caller.
It's possible that person witnessed something.
Well done.
Still,
This is the second case in one month.
!
Eh?
Murders linked to Shoueikai.

The incident where the president of an importing company, Yamamura, was murdered.
Then that other case from three weeks ago...
The robbery-murder in Suginami.
We'll know soon if we look into it.
These guys were likely from a Shuueikai affiliated group.
!
There is some talk of that.
The murdered president was connected with the Shuueikai?
Ah, I see.
I'm in charge of that case.
!
Related murders ...

So does this mean
That it's very possible that the two murder cases are connected?
.....
Y-yes
Ogawara-san.
We can't say for sure yet
Let's talk about this case afterwards.



Two murdered men have been discovered in an office building in the Nakano ward.
The victims have been identified as
Shibuya Ichirou-san of the Shinjuku ward, unemployed
SHIBUYA ICHIROU (37)
BIZEN KAZUYA (20)
And Bizen Kazuya-san of the Nakano ward, unemployed



Bizen Kazuya, 21... years old...

I'm Itou.
I'm Hosaka from the MPD.
I'm Ogawara.
Hello.
We're investigating the murder of Shibuya-san and Bizen-san ...
Right now we're looking into all of Bizen-san's acquaintances.
What was your relation with Bizen-san?
He was a friend since grade school.
Bizen-san called you on the morning of the incident, didn't he?
I had asked him to wake me up in the morning.
What was it about?
Why?

I was thinking of going to a job interview.
Which job?
It was in Shinjuku, XX
But I fell asleep again, and didn't go.
Do you know what Bizen-san's job was?
I know.
Fraud.
And are you involved in fraud as well?
.....
I'm not.
Do you have any idea who
Might be the perpetrator?
I don't.
Where were you on the night of the incident?
At home.

You're lying, aren't you?
What?
You were probably complicit in the fraud too.
And you were working in that office that day as well.
What are you talking about?
Don't underestimate us!
Was it you who killed them?
Hosaka-san.
FUCK OFF!

Maki-hara-san
Could we collect your finger-prints?
That way we could clear all suspicion.
No, I re-fuse.
Alright then.
We'll come back with a warrant.
Here's my card.
Please call me if there's anything.

He's innocent.
But he was most likely involved in the fraud operation.
Is he really ...?
Ibou, get the warrant.
I'll take Makihara's photo and keep interviewing him.
Yes.
Umm ...
Aren't you going to talk to the other people on the list?
Here you go.
I'm a pragmatic person.
He's just like Kuzumi ...

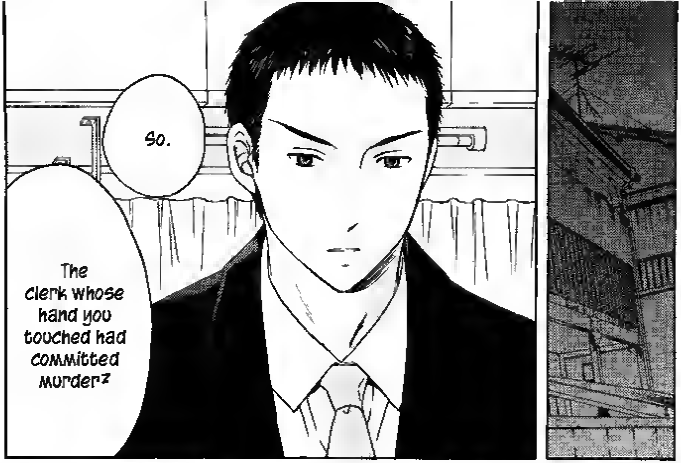
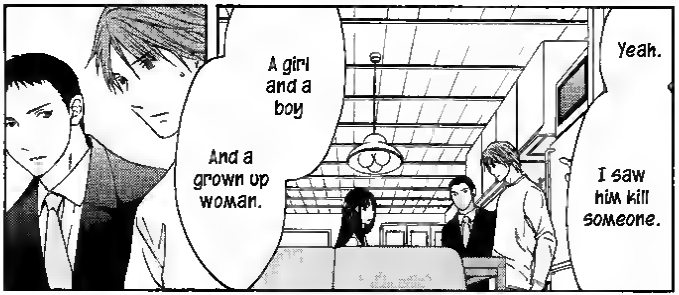
What's wrong?



So.
The clerk whose hand you touched had committed murder?



A girl and a boy
And a grown up woman.
Yeah.
I saw him kill someone.

No.
He killed them himself.
This is unbelievable.
Maybe he saw all that in a movie or something?
You know,
Isn't it that murder case in Itabashi with those three people from the same family? The one they're talking about on the news?

After he stabbed the three of them with a knife,
He cut up the girl's insides with scissors
And took something out.
He brought it home
And put it in a jar with water.

I'll look into it.

I can't be caught until then.

But how to find them?
How to...

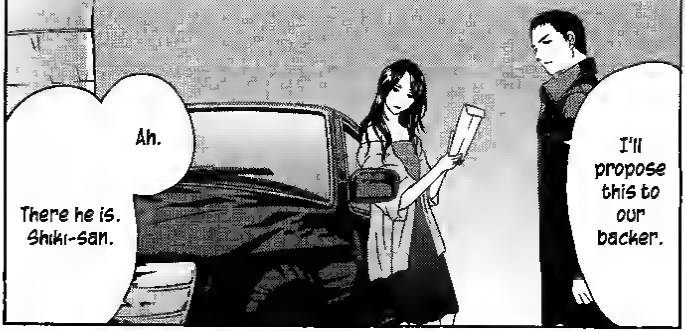
Shit!

How to...

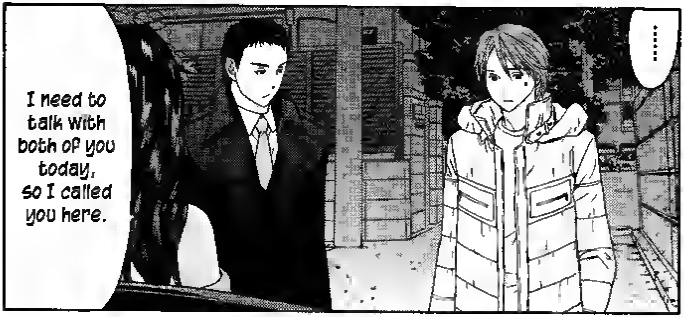
I'm surprised.

Aren't these investigation materials? Can you really take them outside?
It's a bad idea to do that without evidence.
You broke into his house?
And this?

So what is it going to be?
If you arrest him, you'll be a hero.
Why?
Can we use him for the next target?



Ah.
There he is. Shiki-san.
I'll propose this to our backer.



I need to talk with both of you today, so I called you here.
.....

I have a comment on that.
It was your preliminary investigation and the plan that were lacking. Who's responsible for that?
Points?
It wasn't a good thing that you killed someone other than the target.
You'll lose points on that.

This case as well.
This wouldn't have happened if you didn't choose the office for the scene.
We need at least one more person to serve as the lookout.
It was the same during the first case with the company president.
You said there'd be money in the basement, but that wasn't the case.
I'll at least relay your message.
I'm not sure if he'll agree to see you.
Let us meet him.
Don't say that to me. The preliminary investigation and the planning is done by the coordinator.
Here.
Your payment for this time.
You should really take care
Or you will lose points.
.....
Are we being graded?
Sort of.

What will happen if we lose points?
This donut box...
Can't you do anything about it?
We're letting you earn something, so don't complain.

That kid, Bizen Kazuya.
What kind of a kid was he...?

I want to know what kind of a kid he was.
Sensei ...
In reality, I don't want to know
What kind of a life I cut short.
I don't want it to end like this ...
But I think I must know...
I must carry this burden.
If I don't, I feel like I won't be able to go on living.
... That's it.
I have something I can use to buy the information from Kuzumi.
With this money ...

SFX: SLOW, SLOW, SLOW

It's probably impossible to find the perpetrators on my own...
What should I do..?
If I tell everything to that woman detective
They might overlook my involvement.
The police will probably be able to find the perpetrators.

chapter 13 unknown〈Ⅲ〉

The build ...
The general impression...
Looks like him.
I can't believe it...
Is he a cop?
He's... Kuzumi
Yeah.
Kuzumi, see you.
But if he's the murderer...
No, straight home.
Back to the HQ?
Alright, see you.
Good job today.

I have to make sure ...
Beep
This is Kuzumi.
What is it?
Why do you need to know something like that?
What a troublesome guy.
Bizen Kazuya, 21 years old.
Born April 20, 1988.
From Machida. Address unknown, unemployed.
!

He is the Murderer ...!?
He is...
I don't need any money.
Find out the rest yourself.

Besides, he has accomplices.
I saw him with someone else, and then there's the driver as well.
Calm down.
I don't know yet for sure...

He's a policeman...
I can't make any mistakes!
I should observe the situation ...
I'm going to tail him.

I'll kill him for sure!

Hey, Sensei.
Do you want to watch a drama together?
Drama?
Yeah.
Err, well- I'm recording a few right now-

The drama where some hunks are fighting a weird battle on a weird island...
About the Democratic Party in American presidential elections...
About the messy youth of some surgeons...
About strange FBI agents who do profiling...
About the guys fighting against German terrorists...
About the hard and exhausting life of NY cops and Fire-Fighters...
And then, about how if you touch a corpse, it comes back to life, and if you touch it again, it dies again-
And then, about a singing and dancing family that runs a Funeral parlor...
And then about a genius physician who is going mad from drugs...
And about two lawyers who are plump and endearing.
.....
I'll pass.
Eh-

...How about one where people don't die?
Even in the one about the plump and endearing lawyers?
They probably die in all of them...
Eh!
She's probably trying to cheer me up in her own way ...

Sensei,
That person is the nominated candidate.

I'M so happy to be watching TV with someone like this-

Good morning.
Are you on your way to work now?
Yeah.
I'm going to tell you about your next job tonight.
Can you come to the same karaoke place as usual?
So it's time for the next one already ...
You'll do it, won't you?
... Yeah.
By the way,
I want to ask you about something.
What?
Do you know anything about Bizen Kazuya?
Bizen Kazuya?
Ah, the one who got mixed up in this...
I want to know
Anything at all, like what kind of a person he was.
Shiki-san, why something like this?
please

If it's for a fee, I'll investigate for you.
Please do.

All I've found out is that he's an MPD detective, and that he lives in Suginami.

This is the next target.

Minakami Youichi, 27 years old, lives alone in an apartment in Mitaka City
He works as a pharmacist at a drug store.
Last month, he murdered three people from the same family in the Itabashi Ward.
After he stabbed them with his knife, he scooped out the girl's womb with scissors.
He brought it home and is preserving it.
In the past, he came under suspicion for assaulting young girls
But he wasn't prosecuted due to insufficient evidence.
This is...

There's no requirement to kill him in any particular way.
Just make sure that the police find out that he is the perpetrator of the triple homicide.
Can we meet the guy responsible for the investigation and planning?
The coordinator?
It's impossible. I asked him, but he didn't seem willing to see you.
He said.
"If they're unhappy, let them do the planning themselves"
Pretty half-baked, isn't he?
Yan.
What are your plans?
I'm at your command.
And you?
Saturday would be good.
Another Saturday...?
We're starting a pattern here.
Is that bad?

You mean police-men?
There are some troublesome guys.
I'm sorry ...
You let Makihara get away again because of that, that's what hurts the most.
You know, You can't aim to be a detective just by sitting around. You shouldn't dutifully obey such a condition.
And you're dutifully following that?
It was my father's condition... If I want to be in Criminal Investigation, I have to wear a skirt and pumps.
It's because you were wearing a skirt.
Ouch ouch
I don't have a choice.

When I told him to trust me...
"How can I trust you?"
"The murderer is one of your..."
... is what he said.
...Hosaka-san.
There was something Makihara started to say...
It bothers me.
What is it?
.....
What was he going to say?
What did that mean?
I wonder.
Oh.
There he is.
The next one on the list.
Yes.
Let's go.

Hey.
Was it a coincidence that the second target was also connected to the Shuueikai?
See you.
Yes.
Yeah.
We probably bought the information from an informant close to the Shuueikai.
……
We'll get in trouble if we commit similar crimes. Please don't give us any Shuueikai-connected jobs next time.
So many requirements …
Because it's important.
Say,
How about we go get some drinks now?

You drove.
I did.

You know I'm a police-man.
